Subject: RE: Mohdar Abdullah FBI interview reports

Steve,

I am writing to confirm that the FBI has completed its search for and processing of Mohdar Abdullah interview reports, and does not intend to produce any additional interview reports for Abdullah. We note that the specific interview reports identified in your email were the subject of the PECs' omnibus motion to compel. Based upon the FBI's submissions, the Court declined to order the FBI to take any further action.

Regards,

Jeannette
